Redevelopment Opportunity

Built in 1982, the former Tucker Career & Technology Center has 127,820 SF of classroom and training space on two floors. The building has large open areas on the lower back side of the structure. It also features one 10' x 10' overhead door, five 12' x 12' overhead doors, two 14' x 14' overhead doors, and one 10' x 10' dock door with a manual leveler.

A large asphalt parking lot is along Pennsylvania Street, and the building has entrances from both Pennsylvania Street and SR 18. The south end of the building has a large attached greenhouse. The property also features a standing seam roof and a diesel generator at the back. The building has one personal elevator and one freight elevator.

This unique property has many possibilities for redevelopment opportunities!
