Phenomenal Location

This site is located at the intersection of SR 2 and Timothy Road, and sees over 18,000 vehicles per day. It is also near major data centers for Amazon Web Services (AWS) and the newly developed Samsung SDI / GM battery plant.

This area of southern New Carlisle is primed for industrial development and already seeing steady growth in this sector. As the site is located on SR 2, south of US 20, and southeast of the I-80/90 Toll Road, it provides easy access to several major thoroughfares leading primarily to Chicago but also to South Bend, Michigan, and Fort Wayne.
